

# Property & Grounds Volunteer Survey

Thank you for your willingness to help preserve and improve the building and grounds of First Presbyterian Church of Farmington. Over the years, volunteers have been the driving force behind the good works that have been accomplished. Your service will help ensure that future generations will continue to be blessed by this beautiful campus. (Professionals are *not* required — weekend warriors are *always* welcome.)

Below is a short volunteer skills survey. If you are willing to volunteer please complete the survey and place it in the offering plate or submit it to the Church Front Office (ATTN: Chris Davis.) After submitting the survey, you may be contacted by a member of the Property & Grounds Committee to assist with projects as needs arise.

Again, thank you for your selfless support of our ministry. Together we can continue to accomplish great things at FPCF, the Church of the Open Hands.
